

DECLARATION OF CONFORMITY

We hereby confirm that all our glazes are lead-free and cadmium-free according to DIN/EN 1388-1 and 1388-2 (previously DIN 51031) and therefore, are approved for tableware.

Exception:

Glazes marked with an "S" preceding the glaze number and with the following symbols:   as these are not acid-resistant.

We cannot make any statement about the finished product because we have no influence on production.

This document was issued electronically and is valid without signature.
